

# TBH News Letter

MAY 2026

## Monthly Dues

**Happy May TBH Community Members! Please note May security fees are now due.**

## Reviews

**We kindly ask to take a moment to leave us a Google review. Please mention any services you have used (such as Consultation, Visa on Arrival, Land Purchase, etc.) and share your experience with us.**

**To do this, simply search for "THE BLESSED HALLS DIASPORA CENTRE" on Google, click on "Reviews," and select "Write a Review."**

**As we continue to grow, your feedback helps build trust and assures others of the authenticity of our services. Thank you for your support!**

## Progress

Work has been moving steadily in the community. We are so pleased with everyone's involvement and active participation in managing their plots. We currently have 2 members in progress with fencing, another 2 members looking to start their fencing shortly, and 1 member who has completed their floor plan on track to start their home build early Summer. Our current home project is looking great with windows just freshly installed. To keep up with the progress, follow us on Youtube at The Blessed Halls.

Members are kindly reminded to be mindful of construction timelines. All building is carried out using manual labor, and due to the challenging environment, some delays are to be expected. With this in mind, we strongly encourage members to begin their building projects sooner rather than later to prevent time constraints.
